Dear Sir:

I would like to have a try out with your baseball club if possible.

So far I've only had one offer to try for a club (when I was 16) but I was too young, during to the fact that I was in school.

I've just been discharge from the army and I thought it would be better for me to apply as soon as possible.

I'm 21 and will be 22 in June. I wish that you would consider me. My position is catcher.

Truly yours
Raymond Harris
